Dear Potential Corporate Sponsor,

The Chinese-American Engineers and Scientists Association of Southern California (CESASC) invites you to become a sponsor for the 51st CESASC Annual Convention & Awards Ceremony. This annual event will take place on Saturday March 30, 2013 at Hilton Los Angeles San Gabriel.

Founded in 1962, CESASC is one of the largest and most established Chinese-American professional organizations in Southern California, and is dedicated to promote interests, aspirations, and professional excellence of Chinese-American engineers and scientists by providing career and educational advancement opportunities, technical exchange, fellowship, and community service.

The annual event is a whole day event that includes a daytime technical symposium to enrich member competence and an evening banquet with award presentation to showcase the achievements of Chinese American engineers and scientists. Among previous CESASC awardees, there are **five Nobel Laureates, Members of National Academies of Sciences, and Engineers, University Presidents, and Top Industrial Executives.**

For over 50 years, CESASC has enjoyed continuous growth in membership and activities and its positive impact to the community of Chinese American scientists and engineers due to the support of many major corporate sponsors, such as **The Aerospace Corporation, Amgen, Anna & John J. Sie Foundation, Boeing Company, Cathay Bank, China Airlines, Citigroup, Hilton, HSBC, Jet Propulsion Laboratory, Kingston Technology, Northrop Grumman, Pratt & Whitney, Raytheon, Southern California Edison, Walt Disney Imagineering,** and many other businesses and individuals.

Please join the major corporations to support us. You can participate in our event or advertise on our **Convention Journal** to promote your business (see the details on Page 2). Please do not hesitate to contact us with any questions or concerns. We appreciate your consideration and look forward to hearing from you soon.

Sincerely,
